 ***Total Life Changes' Life Changers should not be collecting, handling, storing credit card numbers or any additional information associated with payment data. If the new potential customer or Life Changer wishes to use a credit card to purchase product(s) they need to place the order online themselves, at the direction of the sponsor, using their own device (phone/tablet/computer) and NOT their sponsor's device. Placing orders from a sponsor's device will cause unnecessary fraud alerts. A QV order is required for Life Changers upon enrollment to be active and qualify to earn commission. Taxes vary by state.
